GENERAL INFORMATION

Preferred Application Dates

Keene State College considers applications on a rolling admissions basis, however, students are encouraged to apply well in advance of scheduled classes. Applicants who submit all required materials by the dates listed below will receive prompt attention. Those who apply later risk possible delays or blocks to course registration and access to financial aid.

MARCH 1 for programs that begin with **SUMMER** classes

APRIL 1 for programs that begin with **FALL** classes

NOVEMBER 1 for programs that begin with **SPRING** classes

Keene State College reserves the right to close admissions, irrespective of the preferred application dates, once class capacity has been reached. Upon acceptance, applicants are required to pay a \$100 nonrefundable enrollment services fee.

Academic Calendar

Summer courses may begin in May, June or July depending on individual program requirements.

The **fall** semester starts the fourth week of August and ends in early December.

The **spring** semester starts mid-January and ends in early May.

Financial Aid

No matter when you plan to enroll in an academic program, you should complete the Free Application for Federal Financial Aid (FAFSA) online at www.fafsa.ed.gov. The closer you can complete the FAFSA to March 1 for the following academic year, the sooner your request for financial aid will be evaluated. Please do not wait until you are admitted into a program before completing the FAFSA. Requests for financial aid are evaluated after KSC receives FAFSA results and the applicant has been admitted into an approved program.

Does your academic program require summer course work? If so, it is your responsibility to bring this to the attention of a financial aid counselor to determine if you are eligible to receive financial aid during the summer

All students admitted into a master's, post-master's, or post-baccalaureate program are eligible to apply for financial assistance, whether they are enrolled full-time or part-time.

Full-time and part-time enrollment status for fall, spring, and summer is determined according to the following table:

Program	Academic Level	Credits	Enrollment Status
Master's	Graduate	5-8	Part-time
		9 or more	Full-time
Post-Master's	Graduate	5-8	Part-time
		9 or more	Full-time
Post-Baccalaureate	Undergraduate	6-11	Part-time
		12 or more	Full-time
