

An aerial photograph of a mountainous landscape, likely in the Rocky Mountains, showing rugged terrain with green vegetation and numerous small, dark blue lakes or ponds. A large, white, semi-transparent number '25' is overlaid on the left side of the image. The map is divided into several irregular polygonal regions by thick black lines, suggesting administrative boundaries or land management zones. The overall color palette is dominated by green and brown, with the blue of the water bodies providing contrast.
